CERTIFICATE OF FACSIMILE TRANSMISSION

I hereby certify that this **Response To Invitation To Correct Priority Claim** is being sent to the International Bureau of WIPO (attn: Marie-José DEVILLARD) via facsimile on 17 March 2005 to Facsimile No. 41 22 338 8995.

John B. Alexander, Ph.D.

Sir:

**RESPONSE TO INVITATION TO CORRECT PRIORITY CLAIM
IN THE INTERNATIONAL APPLICATION**

Applicants are in receipt of the Invitation to Correct Priority Claim mailed by the International Bureau of WIPO on 5 January 2005, for the above-referenced international application.

As the invitation is understood, there is a discrepancy between the priority date claimed in the request and the priority date listed on the certified copy of the priority application (U.S.S.N. 60 485,958). The United States Patent and Trademark Office incorrectly assigned the priority application a filing date of 9 July 2003.

In fact, the priority application was filed on 10 July 2003, which date is evidenced by the attached Express Mail Certificate and Mail Room postcard, and which date was properly listed on the Request of the instant application.

Applicant, Neurogen Corporation, has filed a request for corrected filing receipt with the U.S. Patent and Trademark Office on 9 September 2003, receipt of said request has been acknowledged but not yet acted upon.

Accordingly, in response to the Invitation to Correct Priority Claim, enclosed please find the following:

- 1) Copy of the Invitation to Correct Priority Claim;
- 2) The request for corrected filing receipt mailed on 9 September 2003 to the U.S. Patent and Trademark Office in connection with U.S.S.N. 60/485,958;
- 3) Copy of the stamped mail room postcard indicating receipt of the request for corrected filing receipt by the U.S. Patent and Trademark Office; and
- 4) Copy of the Express Mail Certificate indicating deposit of the application package with the U.S. Postal Service for the priority application on 10 July 2003.

Please contact the undersigned agent if any additional information is needed.

Date: 17 March 2005

Respectfully submitted,
